

REFRESHING CUCUMBER COOLER PEDICURE

50 MIN | \$75

Relaxation awaits you with this calming antioxidant rich pedicure. A citrus-cilantro soak will ease tired feet and invigorate the senses, skin is then thoroughly smoothed with a fine refreshing Watermelon-Basil Vodka salt scrub. Silky softness is sealed in applying a nourishing fresh body milk with an irresistible green melon and natural cucumber extract blend. Service includes a refreshing sparkling cucumber drink, so you can leave hydrated and quenched with spring in every step!

WATERMELON BASIL BODY TREATMENT

50 MIN | \$150

Jump into spring with this fresh and relaxing full body treatment. The service begins with a soothing back massage to melt away stress. Infused heated towels will warm the body while a refreshing citrus-cilantro scent invigorates the senses. Next, a full body scrub combining basil and watermelon seed oils with a fine sugar creates a refreshing exfoliation that renews your skin and leaves an absolutely tempting scent in its wake. Treatment concludes with a full body application of a nourishing green melon and natural cucumber extract body milk that will leave you feeling fresh as a spring day!

WOODLANDS RITUAL FACIAL

110 MIN | \$275

Indulge in the Woodlands Spa's NEW Signature Treatment!

You truly can have it all in this total facial experience that uses a tailored regimen of anti-aging, brightening and restorative products. Your experience begins with a relaxing back treatment, followed by a customized deep cleanse using an organic sweet cherry enzyme exfoliation to brighten the skin. Treat your skin with an exclusive 24-karat gold masque to firm and restore elasticity, energize and balance your mind and body with an ancient holistic Kansa massage, and that uses a healing bronze wand lift to firm the skin. For the ultimate finishing touch we have included a nourishing hand, arm and foot treatment and specialized scalp massage. Our newest treatment comes with a complimentary product gift for you to take home!
